David Sehr
Google
Email: sehr@google.com

Important Dates:

Proposal Submission: January 22, 2012

Call for Workshops

If you wish to organize a workshop please include in your proposal:

- Title of the workshop;
 - Names, addresses, and affiliations of workshop organizers;
 - Brief description of topics to be covered;
 - Expected duration (half day or full day);
 - Information on where and when the workshop has been given previously and attendance for each edition (if this is the case);
 - Any special requirements the workshop may have.
-

Call for Tutorials

If you wish to organize a tutorial please include in your proposal:

- Title of the tutorial;
- Names, addresses, and affiliations of tutorial organizers;
- Brief description of topics to be covered;
- Expected duration (half day or full day);
- Information on where and when the tutorial has been given previously and attendance for each edition (if this is the case);
- Any special requirements the tutorial may have.
